Instructions to Participants

Thank you for participating in the survey! We are collecting data about your experience leading or teaching the AI-GENe modules. This data will be used to guide the AI-GENe Program and may ultimately be used for a research publication and reporting to the NIH.

Data confidentiality

Responses are anonymous. The potential risks to you are small. The potential benefits to the education community are high—we will use this information to guide the development of educational material. Please do not include names, institution names, email addresses, or other identifying information in your written responses.

Data sharing

No personally identifiable information, such as response timestamps, will be shared.

Participation

You must be 18 or over to participate. You will be asked a series of questions about your experience with the AI-GENe modules. **By completing this survey or questionnaire, you are consenting to be in this research study. Your participation is voluntary, and you can stop at any time.** You do not need to answer optional questions. Any answers you have filled in will be automatically submitted if you close the browser tab.

Depending on how you answer the survey, this will take about **3 minutes** to complete.

Risk

Risk of participation is minimal. The questions we ask pose minimal security risk to participants, as they focus on your personal experience and expectations. While we have taken measures to ensure the security of the survey responses, please be aware that no online system is completely secure. By participating in this survey, you understand and accept the inherent risks associated with transmitting information over the internet.

Consent

The first question asks whether you are at least 18 years old and whether you consent, or agree, that data from your responses may be used for AI-GENe development purposes.

Questions or problems

If you have questions or problems, contact:

- Ava Hoffman at ahoffma2@fredhutch.org (mailto:ahoffma2@fredhutch.org)
- Michael Schatz at mschatz@jhu.edu (mailto:mschatz@jhu.edu)

You may also contact the Johns Hopkins University Homewood Institutional Review Board (IRB) if you have questions about your rights as a participant. Contact the IRB if you feel you have not been treated fairly or if you have other concerns.
